

Here is the tailored resume:

TRISSAAN ANANDHANAYKI SHANMUGASUNDARAM
Melbourne, AU | <https://www.linkedin.com/in/trissaan>
0434549364 | trissaan@gmail.com

BI DEVELOPER | DATA ENGINEER

SUMMARY

Experienced BI Developer and Data Engineer with a strong background in designing, developing, and implementing data solutions.

SKILLS

- Languages & Tools: SQL, Python, R, PowerShell, Git
- BI & Reporting: Power BI, Crystal Reports, Tableau, DAX, Data Visualization
- Data Engineering: ETL Pipelines, SQL Databases (MS SQL, PostgreSQL), SSIS
- Cloud & Data Processing: AWS, Azure, Spark, Airflow
- Stakeholder Management: Requirement Gathering, Documentation, Presentation

PROFESSIONAL EXPERIENCE

BI DEVELOPER (POWER BI | SQL | ETL)

Packcentre | Melbourne, AU | April 2024 - Present

- Designed and maintained Power BI dashboards to enable real-time monitoring of logistics operations, inventory levels, and KPIs.
- Integrated and validated data from multiple sources, including Power BI and Salesforce, to improve data accuracy and minimize errors.
- Automated reporting processes and enhanced decision-making by tracking KPIs and trends, providing data-driven insights to stakeholders.

PROJECT ENGINEER (AWS | PYTHON AUTOMATION)

Wipro | Tamil Nadu, IN | May 2022 - February 2023

- Developed ETL pipelines using AWS Glue and Python libraries to optimize data ingestion and transformation workflows.
- Automated asset management tasks with Python scripts, reducing manual effort and cutting staff time spent on the process by 20%.
- Led requirements gathering with end clients to design and implement cloud-based solutions, boosting system efficiency and scalability.

EDUCATION

MASTER OF SCIENCE IN DATA SCIENCE

Deakin University | February 2023 - November 2024

- Graduated with a distinction average, demonstrating consistent academic excellence.
- Achieved a High Distinction in Data Wrangling by transforming messy data into actionable insights.
- Engineered a deep learning model for Speech Emotion Recognition as part of a group project.

BACHELOR OF ENGINEERING IN ELECTRONICS AND COMMUNICATION

Dr. Mahalingam College of Engineering and Technology | June 2018 - April 2022

- Graduated with First Class Honors, showcasing a strong academic foundation in data-driven technologies.
- Conceptualized and built an Autonomous Warehouse Robot, integrating robotics and IoT to optimize warehouse operations and efficiency.

CERTIFICATIONS

- AWS Certified Data Engineer – Associate (May 2025)
